

ART-iculation Exhibition at the Orthopedic Hospital of Lausanne

Contributed by Yannick KREMPP
Wednesday, 25 April 2012

For her work "ART-iculation", Dr. Nathalie Busso will soon receive the prize to the creation of the 2010-2012 Zonta Club. Her works are exhibited at the Orthopedic Hospital of Lausanne.

You can enjoy these wonderful pictures taken with the systems available at the CIF platform until April the 30th, in the entrance hall of the Orthopedic Hospital.
