The Zeiss LSM 780 confocal microscope is out of order (again) at the Bugnon Campus.

The technical support has been contacted, and we will keep you informed on the progress on this website.

We apologize for the inconvenience.

The CIF Staff

*** Update 1 - 28/05/2015 ***

Some parts have to be replaced - The system will be out of order for at least a week (best case scenario has the system repaired on next wednesday)

*** Update 2 - 03/06/2015 ***

The parts have not arrived yet, the repair has been postponed.

*** Update 3 - 05/06/2015 ***

The microscope has been repaired. It should be working fine again.
