

CIF Workshops - Deconvolution > New Location

Contributed by Yannick KREMPP
Tuesday, 17 September 2019

We remind you that the next CIF workshop will be held next Friday at noon on the topic :

"Deconvolution : Principles [Arnaud Paradis]"

and

"Live Demonstration using Huygens Remote Manager [Yannick Krempp]".

Please take note of the change in location: The workshop will be held at the Bugnon campus, DNF building, Salle APP (aka room 208), entrance level.

Registration is free and open to any member of the academic community. Due to room capacity, please register at jean-yves.chatton@unil.ch.
