Dear users, we still have a few seats available for the upcoming CIF workshop at the Bugnon campus.

The topic will be Imaris (3D reconstruction) and Huygens (Deconvolution).

Don't miss the opportunity ! The workshop will be given Tuesday, June 21st, APP room 208, 12h15-14h00.

If you're interested, please get in touch with Jean-Yves Chatton (jean-yves.chatton@unil.ch) to register.
